

Everything Barbeque outdoor kitchen gallery opens

Everything Barbeque is Fridayland's premier outdoor kitchen design and construction company who caters to the backyard chef.

The trend of outdoor entertaining has really taken off in Oklahoma City.

"With a climate perfect for outdoor entertaining most of the year, more people are seeing the benefit of adding to their home – on the outside" said Scott Grigsby, who is owner of Everything Barbeque north of Memorial on May Avenue.

Whether you prefer your outdoor cooking experience surrounded by family, a cozy group of friends or the whole neighborhood, you deserve an oasis that is inviting to your guests and gives you the space and equipment to enjoy your hobby of charcoal cooking.

Grigsby explained, "We treat our customers how we would like to be treated."

Nowhere else in FRIDAYLAND brings the outdoors, indoors for your shopping enjoyment like Everything Barbeque. The recently expanded showroom, called the Outdoor Kitchen Gallery, allows you to see, touch, and ignite your imagination no matter what the weather is like outside. The professionals at Everything

Barbeque help create your perfect entertaining area with a top quality grilling and food prep station, a fireplace, a seating area, a pergola, a cooling mist for summer and a heat source for winter.

Choose your perfect professional quality grill and smoker from trusted manufacturers like Lynx, Capital, OCI, Solaire, Luxor, Weber, Hasty-Bake and more. Add a durable sink, a refrigerator, a trash center, an ice maker, warming drawers and storage for optimum convenience. Then, personalize and beautify your outdoor investment with rock, brick, stucco,

granite, cement or tile and you have the recipe for outdoor entertaining perfection.

"Being a specialty store gives us the opportunity to have a one-on-one experience with our customers, we really want to get to know you so we can work together to help design and construct an outdoor living space that best fits your lifestyle and budget." says Grigsby.
